

Many thanks for your recent enquiry regarding a function here at The Plough Inn. I have pleasure in enclosing a wedding pack for your perusal, detailing a range of menu options and prices available.

With its idyllic ambience, excellent catering and ideal mix of accommodation, The Plough offers the perfect setting for any function with a difference! We can cater for small or large parties and can do everything to make your special occasion as distinctive, or as traditional as you wish.

We can accommodate up to 80 people comfortably for sit down meals, or up to 90 for a finger buffet. We can offer afternoon functions every day and evening of the week.

Depending on the number in your party, we may charge if the restaurant is required on Friday or Saturday evening for a reception. We are also able to provide 17 delightful double en-suite rooms to help accommodate your relatives and guests

If you would like any further information or would like to make an appointment to come and have a look around The Plough and The Barn and to view the accommodation or discuss menus and prices, please do not hesitate to contact us.

I look forward to hearing from you.
